

## TWELVE STARS DEBATES – TUTORIAL

Twelve Stars uses the Change My View forum to crowd-test philosophical arguments made about European Politics. Change My View (CMV) is an online forum that invites the open exchange of opinions and arguments. It has more than half a million subscribers.

To participate, you need to create an account on the online forum Change My View. This Tutorial explains how to participate in the Twelve Stars online discussions. Part 1 introduces the discussion rules, Part 2 explains how to register on CMV and log in to debates.

The Twelve Stars online discussions are opened by our authors. They are the submitters who post a view on the Change My View platform. You are a commenter when you join the debate, ask questions and challenge their positions.
